

Iceberg - Gabor

~~TOP SECRET~~

MEMO: OSOTS 814, (MGR-A-394) 5 April 1948

Memo to Chief, FBM, Attention; E J, from CoS, Karlsruhe

Discussion in Vienna Regarding Project Iceberg

Present preparations for stay-behind purposes entirely.

4. Vienna candidates interviewed by E J Should interview these proposed for later training before they actually start (c. 6)

5. Trainees to be flown to Frankfurt, military escorts provided by Vienna, - escort for return to be provided by German mission. Trainees accepted only one at a time. Therefore blanket travel authorization for trainees and personnel requested.

6. c. 2 weeks training for each, reports to be kept.

7. Operator to bury his gear on his return, will normally check in once in 6 months, on regular watch channel in emergency.

8. Stay-behinds to be supplied: a) transceiver with spare parts, b) signal plan (clandestine), c) communications material, d) danger plan, e) instructions.
